

Nonna's Blueberry Muffins

A cozy, easy family recipe | nonnajoyce.com

Ingredients

- 2 cups Bisquick baking mix (reduced-fat if desired)
- 1/3 cup sugar
- 1 (8-ounce) carton sour cream (reduced-fat if desired)
- 1 egg, beaten
- 1 cup blueberries

Directions

Preheat oven to 375°F (190°C). Line a 12-cup muffin pan with paper liners or lightly grease the cups.

In a large bowl, stir together the Bisquick and sugar.

In another bowl, whisk the sour cream and beaten egg until combined. Add to the dry ingredients and stir gently just until moistened. The batter will be thick; avoid overmixing.

Gently fold in the blueberries. Divide batter evenly among the prepared muffin cups, filling each about two-thirds to three-quarters full.

Bake for approximately 18–23 minutes, or until the tops are lightly golden and a toothpick inserted into the center comes out without wet batter.

Cool in the pan for 5 minutes, then transfer to a wire rack. Enjoy warm or at room temperature.

Nonna's note: Baking times are approximate; check early since ovens and muffin sizes vary.
